Junior Football – places available

Do you have a child currently in Year 5 (9/10 years old) who is keen to play football?

We are currently offering attractive half-season joining rates in our Under 10 age group as we grow our squad numbers ahead of competitive fixtures next season. There are currently **SIX** new spaces available.

Half-season membership fee - £12.50

Monthly subs - £8

A free trial will be offered in all cases. Some football experience would be beneficial. A positive attitude and willingness to learn is essential.

We train every week at first class training facilities, and our coaches are all FA Approved.
